Sustainn

CSR Strategy 2019-2021

Innovation

Sustainn is Sustainability Innovation. Our raison d'être was, is and will continue to be the connection between innovation and sustainability.

We innovate to be more efficient in order to create the sustainable solutions of the future.

We promote and participate in innovative projects. Innovation is also part of our internal processes. At Sustainn we spend time thinking about the future by developing methodologies and tools by "Sustainn" that ground the circular economy and promote responsible practices.

Main Challenges
